Dakigaeri Gorge is a beautiful 10-km long valley located in the middle reaches of the Tamagawa River, connecting Lake Tazawa and Kakunodate.

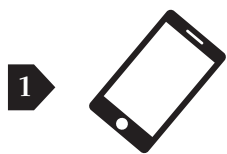

Visitors can walk through the valley for about 1.5 km up to the Jimura Boy Memorial monument,

where many breathtaking spots highlight the beauty of each season.

The autumn leaves are particularly spectacular. Please enjoy taking a leisurely stroll and the soothing scenery.

How to use the Dakigaeri Gorge Autumn Foliage Shuttle-Bus

Please reserve your ticket in advance by phone or email. (Round-trip tickets are recommended.)

On the day of travel, purchase your reserved ticket at Kakunodate Ekimae Kura (or at Folake).

Board the bus at Kakunodate Station (or Tazawako Station) bus stop.

On the day of travel, you may purchase tickets without advance reservation only if seats are still available.

Please note that boarding may not be possible if seats are full. Advance reservation is recommended.
